Corona: Hi, I'm great, but who are you? I can not recognize you.

Covid22: Hahhh haaa. Really! I'm you. You in the future. You are me and I'm you.

Corona: Are you kidding! This must be a joke. Me, in the future! No, way!

Covid22: Why do you think so? I developed myself and came to replace you.

Corona: This is impossible. I killed a lot of people in 2019 and 2020, but then, all of people took some precautions and I disappeared. If you are my future, let me ask you some questions.

Covid22: Sure. Go ahead!

Corona: 1- _____.

Covid22: It is better in some countries and worse in others. For instance, the students in Finland and Iceland make some science projects in zero gravity. This teaches them how they'll feel in space.

Corona: That is awesome. What about transportation? 2- _____.

Covid22: Of course. I think you remember the drones. Now, we have vehicles like drones. They pick you up and take to the place you want to. Also, they are cheap.

Corona: Oh my God. This is unbelievable. I need to hear something about the nature.

Covid22: I don't have good news for that. The ice in the North Pole is still melting and polar bears die with their babies. They can not even find enough food to survive.

Corona: That sounds so sad. Let's talk about communication. Do we have a free Internet connection?

Covid22: Yes and it is also faster. If you want to download a 5 gb movie, it takes only one minute.

Corona: I can't believe that. 3- _____.

Covid22: More than in the past. Donald Trump and some astronauts went to the Mars for a couple of days, and they met aliens there. They became friends.

Corona: You joking. 4- _____.

Covid22: Partly. The astronauts left Donald Trump on the Mars and they came back. Then, Leonardo Di Caprio became the new president of America.

Corona: I like that :) 5- _____.

Covid22: So bad. Especially in Turkey, people met their friends at the caf  s, threw home parties, attended organizations and halayiiiiing:) at the wedding ceremonies, that is why I'm here.

Corona: I see now!!! You are Covid22. I find it. 22 means 2022.
