D) You must keep your desk tidy.

Read the recipe and answer the questions 4-5.

Potato Salad

Today, I am going to give you the recipe for an easy potato salad. If you have guests, don't worry about what to serve. It is very easy and quick.

First, wash the potatoes and put them in a large pot. Second, add two liters of water to the pot. Next, boil the potatoes until they get soft. Then, take them out and peel them when they are hot. After that, dice the potatoes and put them in a large bowl. Finally, add chopped green onion and some olive oil. For a better taste, you should put the potatoes into cold water before boiling them.

4. Which of the following questions DOES NOT have an answer in the text?

- A) Is it easy to make a potato salad?
- B) What is the cooking tip for having a delicious potato salad?
- C) When should you peel the boiled potato?
- D) How much salt should you add?

5. Which of the following pictures shows the step after boiling the potatoes?
