Hi Melinda,

Greetings from Paris! It's my third day here in Paris and I liked it a lot. On my first day, I went to the Eiffel Tower and took so many photos in front of it. It was marvellous! On the second day, I was at Notre Dame Cathedral and it was an incredible experience. I walked around the cathedral and climbed the 387 steps to the top of the South Tower. It was exhausting, but the panoramic view from the top was great. So, it was worth climbing. Tomorrow, I'm planning to see the Louvre Museum and I'm very excited about it, because there I'm going to see the palace where old kings and queens lived. I'm also going to take a boat tour on the River Seine on the last day of my holiday. After that, I'm planning to buy some souvenirs for my friends and, finally, get on the bus and come back to England.

That's all for now.

Love,
Rebecca
