JANET'S FAMILY

Hi! I'm Janet. I'm 12 years old. I have a large family. My mother is a teacher and she has a very busy life, so all members of my family have responsibilities at home. I'm responsible for washing the dishes, mopping the floor, and dusting the furniture. My mother, Clara cooks the meals, cleans the windows, does the laundry and irons the clothes. My sister, Lisa is in charge of vacuuming the floor and setting the table. Taking care of our garden is my brother, Paul's duty. He mows the lawn and sweeps the leaves. My little brother, Ted is responsible for making his bed and taking care of our dog. Doing the shopping and taking out the garbage is my father, Simon's task. We live in our home together and we help each other all the time. Having responsibilities is fun.
