Adam went to an adventure camp and he is talking about it.

Last week, I was at an adventure camp. It was the best experience I have ever had. I tried bungee jumping on the first day. It gives you an amazing feeling. It seems dangerous but it is not. Everybody can try it. We sang songs and danced around the campfire in the evening. The next day, I tried kayaking. I don't think it is an extreme sport. It was boring. Then, we wanted to try paragliding but we couldn't because the weather was rainy. I want to try it as soon as possible. On the last day of camp, we did rafting. It was very challenging. Next year, I will join a camp to try skydiving. I hope it will be fascinating to feel freedom.
