1. My friends and I love skateboarding. We want to organize a festival at the end of the year. We need a lot of training, but it is not that difficult. You don't need lots of things. You can start with a skateboard. Then, you need a helmet. Elbow pads, knee pads and wrist guards are necessary to protect yourself if you fall. Whichever sport you try, it doesn't matter. Safety always comes first.

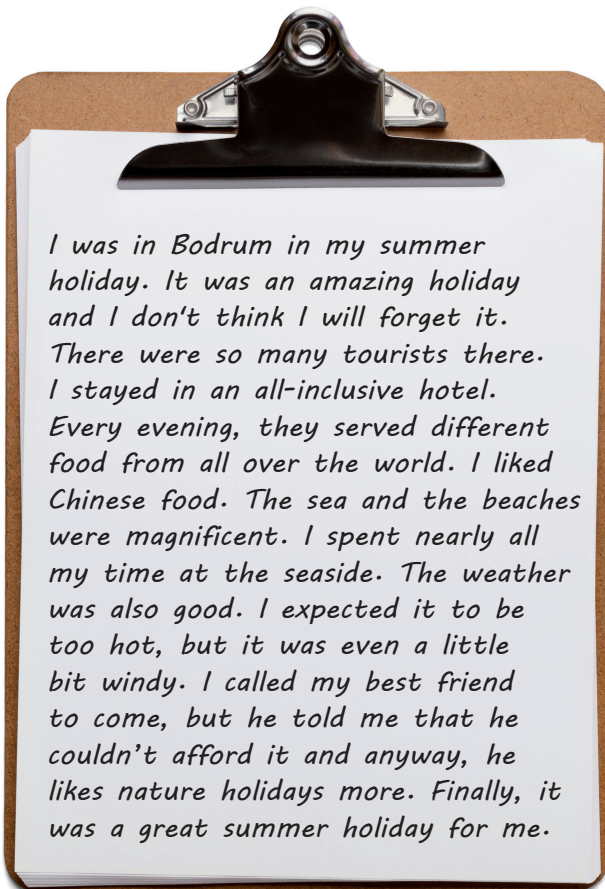

**What is the best title for the text?**

- A) The best time to go skateboarding
- B) The equipment for skateboarding
- C) The most enjoyable sport
- D) The disadvantages of skateboarding

7.

A Facebook page “Womanworld” prepared a questionnaire for women. People think that women like doing chores at home, but it is not the situation actually. They are not keen on doing many of them. This questionnaire wants to find an answer to this situation. 1,500 women answered the questionnaire. The results are worth seeing. According to the results, less than 40% of women like cooking. Their favourite chore is washing the car. They don’t like doing the laundry or ironing at all. I think this study can change our views about women and chores.
