4.

Before you start cooking, always... Tie long hair back. Take off any bracelets and rings. Wear a clean apron. Make sure your working surface is clean and has been disinfected. Wash your hands with soap. When you prepare food, always... Ask an adult before you start making anything in the kitchen. Ask an adult before you use any electrical equipment. Be careful with knives. Ask an adult to help you choose a knife and get them to help you chop the food. Never walk around carrying a knife. Ask an adult to turn on the oven when you need to use it. Use oven gloves when putting food into the oven and when taking it out again. Please remember wash your hands again if you have touched your face, sneezed or coughed, after touching raw meat, touching the bin or going to the toilet
