BÖLÜM 12 Write True or False according to the text. (5×2=10 pts.)

- _____ 1. The men kidnapped the pop star.
_____ 2. The pop star was at home then.
_____ 3. The housekeeper was reading a newspaper.
_____ 4. The kidnappers demanded 500,000 dollars.
_____ 5. The mother was in the garden when she heard the noise.

Three days ago a few men broke into a famous pop star's house in London. It was 2 a.m. So everybody was sleeping. The men kidnapped the pop star's 5-year-old son. While they were going out of the house, the cook saw them. They started to fight. Then one of the kidnappers killed him and they ran away with the boy. All the people in the house heard the gunshot and woke up. The pop star wasn't at home that night because he had a concert in Manchester. When his wife called him, he flew back home. The kidnappers phoned and demanded 500,000 dollars. Next, the pop star called the police. The mother told the police that she was sleeping when she heard the noise. She ran to her son's room, but his bed was empty. When she entered the hall, she saw the cook was dead. She called her husband immediately. The housekeeper said she was reading a book in bed when she heard the gunshot. She looked out of the window and saw three men.
