## A GOOD FRIEND

When it comes to talking about the qualities of a good friend, most will mention common favorable adjectives like honest, respectful, generous, thoughtful, kind, empathetic, etc. This is right but in my opinion, there are some qualities which are more important for a good friendship.

First of all, a friend must be sincere. Without sincerity, a friendship cannot last long or turn out to be a good friendship as pretensions or insincere mannerisms will end up in disappointment. Sincerity on its own is not enough but without sincerity, a true sharing, which is essential for a good friendship, cannot be achieved.

Secondly, reliability is a must for a good friendship. I believe that one cannot consider becoming even an acquaintance with someone who is not reliable, let alone good friends. After all, reliability is not only essential for a good friendship but also for a relationship. If you do not rely on someone, you can share almost nothing with them.

Another important factor is loyalty. Only loyal ones out of all friends will turn out to be good ones in time. Friendship is a journey in life and this journey can never be without problems or barriers. Loyal ones will not leave you half way through. Therefore, a good friendship cannot be maintained without being loyal.

In conclusion, a good friendship requires various good personal qualities but I believe that some of them such as being sincere, reliable and loyal are more important. Without those, we cannot talk about a good friendship.

## SISTERS

**Sue :** Who is that girl over there, Jane?

**Jane :** That one? That's my sister, Sandra.

**Sue :** Your sister?

**Jane :** Yes, and that's her best friend, Lucy. The pretty girl with long, blond hair.

**Sue :** Oh, right. So, you've got a sister?

**Jane :** No, I've got two sisters. Sandra and Donna.

**Sue :** Really? So, how old is Donna?

**Jane :** Sandra and Donna are twins, they're both 15.

**Sue :** 15, um... and does Donna look like Sandra?

**Jane :** They're exactly the same! They're both tall and thin. They've both got short brown hair, green eyes and big ears!

**Sue :** They're not big, I think they're cute.

And...: What about their personalities?

**Jane :** Oh, you can't believe this but they are totally different in personality.

**Sue :** In what ways?

**Jane :** For example, Sandra is extroverted, talkative and easy-going whereas Donna is introverted, shy and bad-tempered. Sandra is mature while Donna generally behaves like a child.

**Sue :** That is so interesting. I fancy meeting them.
