| Hi. I am Tom from England. I am ten years old. I like playing computer games and drawing pictures in my free time. I don't like doing puzzles or dancing. I can ride a horse. I love horses. I have got a small family. My dad is 45 years old. He likes taking photos and collecting leaves. He can play chess very well. My mum is 44. She is a teacher. She can speak three languages; English, French and Italian. She loves knitting. She can play the piano, but she can't play the guitar. |                                     |  |
| 1 Tom likes doing puzzles.                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Tom's dad is good at playing chess. |  |
