Mealventure

Tom *Flower Restaurant*
The prices were reasonable. Some of the dishes looked great, but they weren't tasty. Our order also arrived too late. However, the waiters were nice to us.

Jack *Green Garden Restaurant*
The menu was great. Everything was delicious and beautifully served, but the food was really expensive, and we waited too long for our food. When I asked for the food, the waiter didn't answer kindly.

John *Big Blue Restaurant*
The waiters were friendly as usual, and the food was great. This time, however, it took waiters a long time to bring our orders. Also, I paid much more than I expected.

According to the comments above, what is common about all three restaurants?

- A) High prices B) Kind waiters C) Slow service D) Delicious food
