A. Match the questions with the paragraphs

- What is Alice's mother like?
- What does Alice's mother like?
- What does Alice's mother look like?

_____ Hi everyone! My name is Alice. I am the only child in my family. There are three people in my family; me, my dad and mum. I want to talk about my mum. We are like twins. Everyone say "like mother like daughter ☺" I really take after my mother. Her name is Linda. She has got curly hair like me. She is blonde and she has got beautiful blue eyes. I don't need to tell about my eyes and hair, then ☺ She isn't very short, she is middle height. She is a really fit woman.

_____ She works as a volunteer for a charity. She helps homeless people. She is very helpful and generous. My mum is a real angel like every mum. She often tells the truth. She is a real honest person. You can trust her all the time. She is reliable and modest. I can talk about everything with her. She is not just a mum for me but also a real friend because she is

really easy-going and friendly. You can't see her angry very often but about animals she is really sensitive and emotional. If someone hurts an animal, you can see her angry, then.

_____My mum Linda has a lot of hobbies. She likes cooking and meeting her friends in her free times. She hates gossiping. We like going for a walk early in the mornings. She loves reading books. I am a really lucky girl to have a mum like her. Thanks god!
