Hello! I'm Atakan. I was in Mersin with my family last summer. We stayed in a hotel for 4 days. On the first day of our holiday, we went to the seaside. I swam in the sea and learned diving. My sister and I made a sandcastle and played beach volley. We enjoyed it very much. On the second day, we went sightseeing and we all liked the city very much. We tried rafting on the third day. At first, I was worried but I liked it later. On the last day, we tried sailing and I loved it. I want to go there again. I think everybody should visit Mersin.
