**A) Read the text and answer the questions.(30 points)**

My name is Ron. Friendship is one of the most important things in my life. I can make new friends easily. I have got many friends. We sometimes argue but most of the time we get on well with each other. One of them is Elenor. She always tells the truth but he never changes his mind easily.

Mary and I share the same interests, we like spending time together. Every summer, we love going camping together. She always backs me up, when I am in trouble time. Sally always listens to my problems carefully. I can trust her. She never shares my secrets with anyone. Some of our friends come into our lives and stay forever.
