IS THE KEY**

A) Read the text and answer the questions.

Friendship ; according to Tim,

**“ If you are looking for a friend who is faultless, you will be friendless.”
Some of our friends have come into our lives and we always love and support them. If you want excellent personality traits in a friend, you'll stay alone. I have got a lot of friends we sometimes argue but most of the time we get on well with each other. One of them is Elenor. She never tells lies and always shares her belongings with me but she is a bit shy. Melinda and I share the same interests, we like spending time together. She always backs me up, when I am in trouble time. Tina is a beautiful girl. She attracts many teenagers' attention. She is really impressive.**
