2. Read the text and answer the question.

## Canoeing or Kayaking?

- People think that they are the same. However,
- there are big differences between two of them.
- First, the paddles are different. In canoeing,
- there are two players and the paddles are
- single-bladed.
- In kayaking, there is one player and the paddle
- is double-bladed. Canoeing is a river sport, but
- kayaking is a sea or lake sport. Canoe is open
- and two canoers can get on the canoe easily. You
- can take whatever you want with you. However,
- kayak is a closed boat, so you cannot take
- anything with you. Another difference is the
- equipment. You must use a spray skirt in kayaking,
- but you don't need the spray skirts in canoeing.
- In both sports, you must wear a helmet.

Which of the following is **CORRECT** according to the text?

- A) There aren't much differences between the two sports.  
B) Both of the sports are very easy sports.  
C) Helmet is necessary and common in both sports.  
D) Kayaking is a winter sport, but canoeing is a water sport.
