6. Jessica is having an exam. She reads a paragraph and answers the questions. Here are the paragraph and her answers to the questions:

Name: Jessica Surname: Smith Class: 8/A Number: 171

My name is Klaus. I'm from Germany. I'm 18 years. I study Gastronomy and Culinary Arts at Berlin University. I have a brother and a sister. My sister, Karoline, is 9 years old. My brother, Leo, is 13 years old. Both my father and mother work. My father is a doctor and my mother is a nurse. They work at the same hospital. They work very hard and they sometimes come home very late. They aren't usually at home on weekdays. They come home very tired and very late. So, we help them, share the chores. I cook the meals and set the table. I love cooking. My brother makes salad when I cook. My sister feeds the bird and waters the plants. She takes out the garbage and buys bread. My father and mother do the grocery shopping because the market is on their way to home. After dinner, I load the dishwasher and make coffee for my parents. They relax in the evening in front of the TV. At the weekend, we do the chores together. I vacuum the carpets and clean the bathroom at the weekend. Karoline dusts the furniture. My father washes the car with my brother. Sharing the chores makes our lives easier. So, all the family members have a happy life.
