SENARYO 2

Learning Outcome: E7.7.R1. Students will be able to understand short and simple texts about predictions.

4. Read the text below, correct the mistakes, and rewrite the sentences.

Mrs. Dimprose asked her students to write their predictions about the future. Below, you see their notes.

People will destroy nature, so life on the Earth will be more difficult for all living things.

Sam

We won't need any devices to communicate because we will be able to call others by sending signals through our brains.

Tim

Business life will change a lot. Most people will work at home, so people will have more time for their families.

Amy

- Sam believes the Earth will become a better place in the future.
- Tim thinks people will develop a new device for communication.
- Amy's prediction is about education.
- Sam and Amy have positive comments about the future.
