Different Cities, Different Weather Conditions

Natalia

Today is very cold and snowy in Moscow. It makes me feel excited and relaxed to watch the snow. I love reading books or watching movies at home in this weather.

Lina

In London, it is rainy and cold. I don't like it because it makes me sad and sleepy. I stay at home, drink coffee, and play the piano.

Zeynep

In Antalya, the weather is warm and sunny. I feel happy and energetic. I like walking outside and drinking coffee on sunny days.
