Past Perfect Continuous Tense Wh- Questions: Fill-Blanks Quiz 6

Q8FCW6

halted? 18) Where the politicians (meet) to discuss the peace treaty before to broke down? 19) What the scientists (test) before the new hypothesis was confirm 20) What the committee (deliberate) on before making their final de 21) Why my team (not / finalize) the contract before the meeting end 22) How long many philosophers (discuss) the ethical implications of intelligence before the breakthrough? 23) What the politicians (design) for the new city center before the breakthrough?	(decide) on before announcing the results of the election?			
What	(not / research) the topic thoroughly before publishing their	some experts	Why	2) \
4) Where			gs?	finding
the scientists	(do) to prepare for the upcoming conference?	her colleagues	What	3) \
the writers (draft) their articles before the editor gave feedba (not / expand) before the market conditions changed the policy? Which aspects the researchers (not / expand) before the market conditions changed of the policy? What the economists (forecast) before the unexpected market conditions of the policy? What the parents (prepare) for their children's graduation before was postponed? In what the artists (paint) before the exhibition began? Which scientists the committee (consult) before making their braduature physics? Which scientists the committee (consult) before making their braduature physics? When the policy (investigate) before the suspect was apprehend the summit? What the police (investigate) before the final exam started? Where the students (meet) before the final exam started? Where the researchers (conduct) their fieldwork before the data halled? In where the politicians (meet) to discuss the peace treaty before the broke down? What the scientists (test) before the new hypothesis was confirm (not / finalize) the contract before the meeting end (paint) their final described the meeting end (paint) the architects (design) for the new city center before the broken (paint) for evidence of the extinct spec (unding ran out?	(demonstrate) before the government responded?	the activists	Where	4) \
7) Why the company	(study) the phenomenon before the breakthrough?	the scientists	How long	5) H
the researchers (not / consider) when assessing impact of the policy? 9) What the economists (forecast) before the unexpected market or was postponed? 11) What the artists (paint) before the exhibition began? 12) Which scientists the committee (consult) before making their brightness (paint) before the suspect was apprehend the summit? 13) When the policymakers (address) the pressing environmental or the summit? 14) What the police (investigate) before the suspect was apprehend the summit? 15) What his friends (organize) for the party before I arrived? 16) Where the researchers (conduct) their fieldwork before the data halted? 18) Where the politicians (meet) to discuss the peace treaty before the broke down? 19) What the scientists (test) before the new hypothesis was confirmed. 20) What the committee (deliberate) on before making their final decays) where the data halted? 21) Why my team (not / finalize) the contract before the meeting end (aliccuss) the ethical implications of intelligence before the breakthrough? 23) What the architects (design) for the new city center before the broked out?	(draft) their articles before the editor gave feedback?	the writers	How	6) H
impact of the policy? 9) What the economists (forecast) before the unexpected market come was postponed? 11) What the artists (prepare) for their children's graduation before was postponed? 12) Which scientists the committee (consult) before making their brack quantum physics? 13) When the policymakers (address) the pressing environmental or the summit? 14) What the police	(not / expand) before the market conditions changed?	the company	Why	7) \
the parents	(not / consider) when assessing the economic	ts the researchers	Which aspects ct of the policy?	8) \impact
### the artists ### the artists ### (paint) before the exhibition began? 12) Which scientists ### the committee ### (consult) before making their bright quantum physics? 13) When ### the policymakers ### (address) the pressing environmental or the summit? 14) What ### the police ### (investigate) before the suspect was apprehend the summit? 15) What ### his friends ### (organize) for the party before I arrived? 16) Where ### the students ### (conduct) their fieldwork before the date halted? 17) Where ### the researchers ### (conduct) their fieldwork before the date halted? 18) Where ### the politicians ### (meet) to discuss the peace treaty before the broke down? 19) What ### the scientists ### (test) before the new hypothesis was confirmed to the committee ### (deliberate) on before making their final decomposite to the contract before the meeting end to the contract before the meeting end to the contract before the broke down? 20) What ### the committee ### (discuss) the ethical implications of the intelligence before the breakthrough? 23) What ### the architects ### (design) for the new city center before the broke funding ran out?	(forecast) before the unexpected market collapse?	the economists	What	9) \
12) Which scientists the committee	(prepare) for their children's graduation before the ceremony	the parents	How	10) was po
quantum physics? 13) When the policymakers (address) the pressing environmental of the summit? 14) What the police (investigate) before the suspect was apprehenced by the party before I arrived? 15) What this friends (organize) for the party before I arrived? 16) Where the researchers (conduct) their fieldwork before the data halted? 17) Where the politicians (meet) to discuss the peace treaty before the halted? 18) Where the politicians (meet) to discuss the peace treaty before the broke down? 19) What the scientists (test) before the new hypothesis was confirmed by the committee	(paint) before the exhibition began?	the artists	What	11)
the summit? 14) What the police (investigate) before the suspect was apprehend. 15) What his friends (organize) for the party before I arrived? 16) Where the students (conduct) before the final exam started? 17) Where the researchers (conduct) their fieldwork before the data halted? 18) Where the politicians (meet) to discuss the peace treaty before the broke down? 19) What the scientists (test) before the new hypothesis was confirm. 20) What the committee (deliberate) on before making their final decompleted and the confirmal decompleted and	(consult) before making their breakthrough in	itists the committee		
15) What his friends (organize) for the party before I arrived? 16) Where the students (meet) before the final exam started? 17) Where the researchers (conduct) their fieldwork before the data halted? 18) Where the politicians (meet) to discuss the peace treaty before the broke down? 19) What the scientists (test) before the new hypothesis was confirm (deliberate) on before making their final deed (not / finalize) the contract before the meeting end intelligence before the breakthrough? 23) What the architects (design) for the new city center before the breakthrough? Conduct) for evidence of the extinct specifications of the conduct of the extinct specification and conduct in the researchers (search) for evidence of the extinct specifications of the conduct in the researchers (search) for evidence of the extinct specifications of the conduct in the researchers (search) for evidence of the extinct specifications of the conduct in the researchers (search) for evidence of the extinct specifications of the conduct in the researchers (search) for evidence of the extinct specifications of the conduct in the researchers (search) for evidence of the extinct specifications of the conduct in the researchers (search) for evidence of the extinct specifications of the conduct in the researchers (search) for evidence of the extinct specifications of the conduct in the researchers	(address) the pressing environmental concerns before	the policymakers	When	13) the sur
the students	(investigate) before the suspect was apprehended?	the police	What	14)
17) Where the researchers (conduct) their fieldwork before the data halted? 18) Where the politicians (meet) to discuss the peace treaty before the broke down? 19) What the scientists (test) before the new hypothesis was confirm	(organize) for the party before I arrived?	his friends	What	15)
18) Where the politicians (meet) to discuss the peace treaty before the broke down? 19) What the scientists (test) before the new hypothesis was confirmed and the committee (deliberate) on before making their final decomposition and the committee (not / finalize) the contract before the meeting end to the confirmed and the confirmed and the committee (discuss) the ethical implications of intelligence before the breakthrough? 23) What the architects (design) for the new city center before the breakthrough and the researchers (search) for evidence of the extinct specifications are confirmed as a search of the extinct specification and the committee (search) for evidence of the extinct specification and the committee (search) for evidence of the extinct specification and the committee (search) for evidence of the extinct specification and the committee (search) for evidence of the extinct specification and the committee (search) for evidence of the extinct specification and the committee	(meet) before the final exam started?	the students	Where	16)
19) What the scientists (test) before the new hypothesis was confirm 20) What the committee (deliberate) on before making their final de 21) Why my team (not / finalize) the contract before the meeting end 22) How long many philosophers (discuss) the ethical implications of intelligence before the breakthrough? 23) What the architects (design) for the new city center before the breakthrough? 24) Where the researchers (search) for evidence of the extinct specified in the science of the extinct specified in the researchers (search) for evidence of the extinct specified in the science of the science of the extinct specified in the science of the extinct specified in the science of the extinct specified in the science of the science of the extinct specified in the science of the sci	(conduct) their fieldwork before the data collection was	the researchers		•
20) What the committee (deliberate) on before making their final decay. 21) Why my team (not / finalize) the contract before the meeting end intelligence before the breakthrough? 22) How long many philosophers (discuss) the ethical implications of intelligence before the breakthrough? 23) What the architects (design) for the new city center before the breakthrough? 24) Where the researchers (search) for evidence of the extinct specified in the search of the extinct specified in the committee (design) for the new city center before the breakthrough?	(meet) to discuss the peace treaty before the negotiations	the politicians	Where	18) broke
21) Why my team (not / finalize) the contract before the meeting end	(test) before the new hypothesis was confirmed?	the scientists	What	19)
22) How long many philosophers (discuss) the ethical implications of intelligence before the breakthrough? 23) What the architects (design) for the new city center before the breakthrough for evidence of the extinct specifications of the control of the properties of the foreign for evidence of the extinct specifications of the control of the extinct specifications of the extinct specifications of the control of the extinct specifications of the extinct specification of the extinc	(deliberate) on before making their final decision?	the committee	What	20)
intelligence before the breakthrough? 23) What the architects (design) for the new city center before the broad statement of the researchers (search) for evidence of the extinct specified funding ran out?	(not / finalize) the contract before the meeting ended?	my team	Why	21)
intelligence before the breakthrough? 23) What the architects (design) for the new city center before the broad statement of the researchers (search) for evidence of the extinct specified funding ran out?	(discuss) the ethical implications of artificial	many philosophers	How long	22)
24) Where the researchers (search) for evidence of the extinct spec funding ran out?	, , , , , , , , , , , , , , , , ,			-
funding ran out?	(design) for the new city center before the budget cuts?	the architects	What	23)
25) Where the teachers (distribute) the learning materials before the	(search) for evidence of the extinct species before the	the researchers		-
arrived?	(distribute) the learning materials before the students	the teachers		•

Answer Sheet (Q8FCW6)

Past Perfect Continuous Tense: Wh-Questions: Advanced Level: Fill In The Blanks Quiz 6

- 1) had / been deciding
- 2) hadn't / been researching
- 3) had / been doing
- 4) had / been demonstrating
- 5) had / been studying
- 6) had / been drafting
- 7) hadn't / been expanding
- 8) hadn't / been considering
- 9) had / been forecasting
- 10) had / been preparing
- 11) had / been painting
- 12) had / been consulting
- 13) had / been addressing
- 14) had / been investigating
- 15) had / been organizing
- 16) had / been meeting
- 17) had / been conducting
- 18) had / been meeting
- 19) had / been testing
- 20) had / been deliberating
- 21) hadn't / been finalizing
- 22) had / been discussing
- 23) had / been designing
- 24) had / been searching
- 25) had / been distributing
