Hello! My name is Linda. I believe helping others makes us better people. I always support my classmates when they have a problem. My best friend is Sophie. She is very loyal and respectful. But I don't really get on well with Jack. He never tells the truth, and I don't like dishonest people. I also don't like Emma because she never listens to anyone.

Thanks so much for inviting me to your sister's birthday party this Saturday. I'm really sorry, but I won't be able to make it. I'll be out of town visiting my grandparents this weekend. You know how much I like spending time with them.

Wendy

Hello, everyone! I'm here to share what I usually do on Saturdays, my favourite day of the week. I love Saturdays because I'm free then. I start the day with a quick shower at 10 am. After a big breakfast, I leave home to hang out with my friends. We usually go shopping; we're all fashion nerds. I mean we're keen on fashion. Honestly speaking, we don't buy much; we just do window-shopping. I come back home at 4 pm and play with Fluffy, my cat. She's very active and loving. I have dinner with my family from 6 pm to 7 pm. Then, I watch TV or read a book. At 11 pm, I go to my room to write my diary and go sleep. Saturdays are great!
