Here is the recipe of the cookie. First, mix the egg and butter. Second, put powdered sugar. You can mix them about five minutes, then add the other ingredients. It has different ways like baked with chocolate chips or blueberries. If you bake it with blueberries, it is a little bit sour but it is worth trying. Next, knead it well until you get soft dough. After that, you can put it with an ice-cream spoon or roll it. Finally, bake them at 180 °C in preheated oven about fifteen minutes. They are tasty! Good appetite!
