

Name - Surname:

ANSWER KEY

Class - Number:

(Senaryo 5)

1. Read the text and do the exercises.

I'm Asya. I live in a flat with my family in the city centre. There are two bedrooms, a sitting room, a kitchen, a bathroom and a balcony in our house. I have two bookcases, a wide bed, a desk and a wardrobe in my room. There is a comfortable sofa in our sitting room, and we watch TV here in the evenings. We usually have breakfast and dinner in the kitchen. There are two schools, a sport centre, a museum, a park and a library in my neighbourhood. My friends and I go to the library to do our homework after school. My mum goes to the gym to do exercises every

a. Write the names of the places according to the text above. 6x1=6P

1. Library

2. Gym

3. Museum
