

ANATOLIAN HIGH SCHOOL 2025 -2026 EDUCATIONAL YEAR 2ND TERM 2ND
WRITTEN EXAM FOR 9TH ST GRADES

Name – Surname: **ANSWER KEY** Class – Number:

(Senaryo 4)

1. Read the text and do the exercises.

I'm Efe. I live with my family in a big house in a small town. There are three bedrooms, a sitting room, a kitchen, a dining room, a garden and a garage. In the sitting room, we have a soft and comfortable sofa, a TV and a coffee table. After dinner, we like getting together and chatting here. In the dining room, we have a wide table to have our meals. We have breakfast in the garden when the weather is sunny and hot. We always spare time to tidy and clean the house. My mum cooks the meals and does the laundry. My brother and I wash the dishes and my father vacuums the carpets. Now, I am doing my homework in my room, my father is washing his car in the garage, and my mother is making a cake in the kitchen. My brother dislikes staying at home, so he is in the park with his friends.

a. Correct the mistakes according to the text above. 5x1=5P

- | | |

The blue whale is the largest **mammal** in the world. These blue-grey animals have a long body, a wide head, huge flippers, a powerful tail, and a small fin. It lives in oceans and it can swim very well. Blue whales eat small fish and krill. Even though they are very big, they feed on very small sea animals. They travel to warmer waters to **give birth** and take care of their babies. Blue whales usually live alone or in small groups. They can **communicate** with each other using special sounds under the water. They are very strong animals and they can stay under water for a long time. People must protect blue whales because they are **rare** today and their number is decreasing because of hunting and environmental problems. International **wildlife** organizations are taking action and people should keep the oceans clean and clean up polluted areas.

a. Complete the table. 10x1=10P

Animal	-The blue whale
Habitat	-Oceans
Diet	-small sea animals and krill
Abilities	-It can swim very well. - It can communicate with other whales. - It can stay underwater for a long time.

People 2. **hunted** (hunt) them illegally, cut down the trees, and 3. **destroyed** (destroy) their habitats. Governments and people 4. **should work** (work) together to protect them. Governments 5. **should make** (make) strict laws to stop hunting, and people 6. **should plant** (plant) new trees. They should also protect the forests.

6. Read the dialogue and do the exercises.

Watson: Hi, friends! What about watching a film this evening?
Adam: That's awesome. I'm into action films. Let's watch fast and furious.
Kate: Oh, I'm not into this kind of films. Detective films are great. I love mystery and crime.
Linda: I prefer something futuristic. I think all of us will like it.
Watson: That's nice. I love space films, too.
Adam: I also enjoy science fiction movies. What about The Matrix?
Kate: I heard about it. It sounds interesting.
Linda: Yes, it's a famous science fiction movie.
Watson: Great! Then let's watch The Matrix.
Adam: Good idea! I think it will be exciting.
Kate: Okay, I agree with you.
Linda: Shall we buy some popcorn and drinks, too?
Watson: Of course! Let's meet at my house at 7 p.m.
Adam: See you later, friends!
Kate: See you!
Linda: Bye!

a. Complete the table according to the dialogue. 8x1=8P
