EXAM FOR 9<sup>TH</sup> GRADES

(Senaryo 2)

Name - Surname:

Class - Number:

### A. Read the text and answer the questions. (2x5=10P)

I am Ricard. Last weekend, I had a small problem with my brother, Lucas. We usually argue because we share the same room. He likes playing computer games, but I want to study quietly. On Saturday, our parents talked to us about the problem. We decided to use the room at different times. In the afternoon, we played a board game together in the living room.

1. What was the main problem in Richard's family? **Richard and Lucas usually argue because they shared the same room.**
2. How did they solve it? **They decided to use the room at different times.**

### B. Replace the highlighted words with their similar meanings. (5x2=10P)

**Tom:** I'm **starving(hungry)**, Leo. Shall we try something different for lunch?

**Leo:** Sure! How about Japanese food? I've never tried it before.

**Tom:** Good idea! I know a restaurant that serves different **dishes (meals)** from Japan.

**Leo:** What do they have?

**Tom:** They have sushi, noodles and rice dishes.

**Leo:** I think I'll have noodles. I don't like very **spicy (hot)** food.

**Tom:** That's okay, but I'll try the spicy one.

**Leo:** It's interesting to try food from different **cultures (ways of life)**.

**Tom:** Exactly! We can learn about people's **traditions (customs)** through their food, too.

### C. Read the text and complete the sentence. (5P)

In the future, transportation may be very different from today. People may use self-driving cars to travel safely, so there may be no traffic jams in big cities. People may also travel in flying vehicles. They can save time and provide cleaner air.

According to the text, we can understand that flying vehicles may save time and help reduce air pollution.
